

EVENT "AT THE END OF THE DAY" BOOK LAUNCH
WHY TO BENEFIT SOUTHWEST SCHOOLS
WHERE HOTEL SORELLA
WHEN JUNE 8

Lewis Senior and daughter/co-author, Laura Senior Garcia, hosted a wonderful crowd of over 150 people to celebrate the launch of their book, "At the End of the Day," an inspirational, non-fiction memoir. The ballroom at Hotel Sorella was transformed into a Hollywood-themed affair outfitted with red carpet, a beautiful lounge area with white leather couch and student paparazzi. The celebration was full of amazing moments, such as the unveiling of the book cover art winner, auctioning off the entire one-of-a-kind artwork, signing the books for the attendees and the excerpt readings from the book.
